3. Players must have Casino's player card and valid ID to participate.
4. The Tournament entry fee (the "Entry Fee") must be paid with cash or casino chips; no other forms of payment will be accepted.
5. All Events will use Tournament chips for play. Tournament chips have no cash value, may not be used for any other purpose, and must be returned to MSPT at the end of each Event.
6. All Events will utilize the Big Blind Ante format unless otherwise noted on the Tournament structure sheet.

Once registration has closed, all alternates not present will have their chip stack put in play.
9. At the conclusion of the registration period, all paid entries (including alternates) who have yet to be seated will be assigned a seat and their Tournament chips will be put into play.
10. A player will forfeit their option to cancel (void) their entry once their Tournament chip stack has been put into play and will not be entitled to a refund.

Players are not allowed to wear sunglasses and a face cover at the same time.

Prize Certificates: Players may play multiple Satellites and win multiple Prizes. Tournament Prize earned through this Satellite is Transferable.

Milestone Rules: A Player who accumulates 120,000 in tournament chips ("The Milestone") in the standard satellite will have the option to instantly be awarded one (1) direct entry seat, \$1,110 cash or continue to play the event. Upon verification from Tournament Supervisor that the player has achieved the Milestone, the player may cease play, the total of his/her chips will be removed from play and he/she will be awarded a direct entry seat into the \$1,110 Main Event, \$1,110 cash, or the player may continue to play until the conclusion of the tournament and elect to be awarded a \$1,110 direct entry seat or \$1,110 cash.

- The Tournament will conclude when the number of players remaining is equal to 1 in 5 of the total entries, less the number of players who have previously won the prize by reaching the Milestone and taking a seat.
- While the tournament staff will make the best effort to identify players as they achieve the Milestone, it is the responsibility of each individual entrant to notify the Dealer or Tournament Supervisor when they have reached 120,000 in tournament chips.
- A player who is dealt into a subsequent hand after achieving the Milestone will be required to complete the hand prior to being awarded the Tournament Prize. If, at the completion of the additional hand, a players' chip total falls below the Milestone they are not eligible to receive the Tournament Prize until their chip total is once again equal to or greater than 120,000.
- A Tournament Supervisor must be called to verify the tournament chip count of a player who is making a claim for a Tournament Prize. Players may request that a Tournament Supervisor count their stack at any time between hands.
- A player who assists another in counting their chip stack or notifying them that they have reached the Milestone is not in breach of the rules.
